Made with innovative  
**'Floating-in-the-air'**  
experience

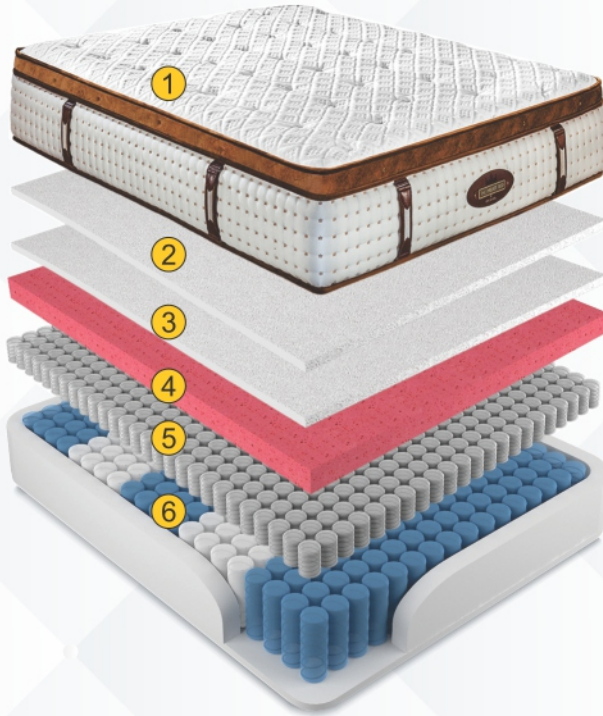

The BodyFloat technology has been achieved by precision layerings. Its very high gsm knitted fabric with acupressure patterns is quilted with feather-touch **PressureSense Foam** while another layer is of 2 inch thick sleep grade **UltraFusion Foam**; combined with **micro-pocketed springs** that retains your body into a state of floatation.

The high density **5-Zone FirmTech Pocketed System** gives an optimal body support that maintains health of spine over years of usage.
